Spring 2021

NEW HEADQUARTERS NOW OPEN

After several years of planning, Northland Area Federal Credit Union has opened its new headquarters building in Alpena. The new headquarters features tall, triple-glazed windows which are considered the latest in sustainable window technology that allow for abundant natural light and are extremely eco-friendly.

“Having a larger headquarters will allow us to better train staff, expand our IT services center, and provide for more lending support staff to better serve the expanding financial needs of our members in our 10 county field of membership” said Marketing Director Matt Duthler.

“Northland is thankful to the community for welcoming us to the Alpena area. We are proud to support members and small businesses with financial expertise coupled with a wide variety of products and services to meet their individual needs,” CEO and President Pete Dzuris said. The new HQ address is 1161 N. Bagley St., Alpena MI 49707.
