# Oscoda Branch Redesign Update

President/CEO Pete Dzuris with Oscoda Staff

Northland Area Federal Credit Union recently announced updates about the Oscoda branch redesign project. Extensive building upgrades for the Oscoda branch have been in the planning stage for quite some time and Northland is now pleased to share the plans with the Oscoda community. "As Northland approaches its 67th anniversary, the new branch design will encompass improvements relevant to today's members' and staff's needs" said Pete Dzuris, President and CEO. "While many banks and financial institutions are leaving communities, Northland is committed to investing in our legacy markets as well as providing the utmost positive member service" Dzuris said. Members of the public are invited to see the engineer's drawings of the new design in the Oscoda branch lobby during business hours. Construction work is slated to begin in the spring of 2025.
